Article 28. The Concessionaire is obliged to consign, free of charge, for the Harbour Master's Office to use the first floor office areas designed for the coastal liner traffic.

The Concessionaire is obliged to consign, free of charge, to the authorities in charge of the supervision of state borders and customs service the parts of the terminal building designed for the public services - border crossing - and public service areas (necessary for fulfilling the Schengen conditions) on the ground floor as indicated in the Premises Catalogue.

PUBLIC SERVICES - BORDER CROSSING - FIRST FLOOR
